Re: Ninth Avenue Dump, Gary, Indiana
U. S. Scrap, Chicago, Illinois

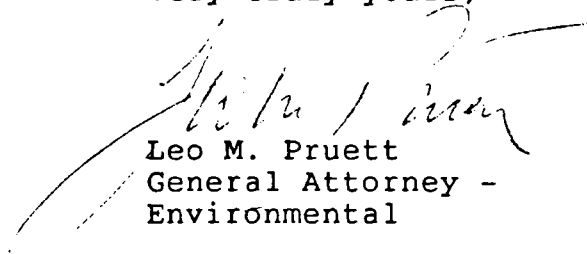

Attention: 5HR-11

Dear Mr. Kowalski:

I am in receipt of your notice of PRP meeting dated May 26, 1988 and plan to attend the meeting. In your letter you indicate that "The Agency will also share information it has linking PRPs with the Sites . . .". We previously wrote to Ms. Susan Swales on March 22, 1988 asking for copies of the documents the EPA has indicating the involvement of United States Steel Corporation (now USX) at either or both of the sites. I renew my request for that information and request that the documentation be provided to me at the meeting on June 9, 1988. I enclose a copy of my March 22, 1988 letter to Ms. Swales under the signature of William J. Kabbert, II.

In the alternative I request that this request be treated as one coming under the Freedom of Information Act for all documents reflecting Items 1 through 4 enclosed in our March 22, 1988 letter to Susan Swales.

Very truly yours,

Leo M. Pruett
General Attorney -
Environmental
